### **January 2020**

I apologize for missing my editorial last month; I was out of town for thanksgiving and did not have very good internet access. Anyways, we wrapped up the 2019 regular season at Lake Grapevine where David Mulcahy took the win with 10.46 lbs., Randy Williams finished 2<sup>nd</sup> with 10.19 lbs. and Timmy Smeal finished 3<sup>rd</sup> with 9.79 lbs. That tournament was the last one of the years that counted for points, so here is an unofficial congratulation to Roger Malone, who will be our 2019 Angler of the Year. We had our classic at Squaw Creek earlier this month and Tim Johnson won it with 10.70 lbs. Kim Justus came in 2<sup>nd</sup> with 8.87 lbs., and Carey Johnson finished 3<sup>rd</sup> with 8.77 lbs. Congratulations to you all.

Our January meeting will take place at the Dixie House Café on Hulen St in Fort Worth. This will be our January Meeting/2019 Awards Banquet. If you have not been to one, I would suggest arriving early to get a seat, especially if you plan to eat.

IMPEACHMENT UPDATE: Contrary to popular belief, I am NOT being impeached from my position, I am stepping down and letting someone else have all the glory that comes with being the Bass Club of Fort Worth President. That will be Cody Mulcahy, he will do a great job and we can route all future complaints his way, effective 2 January 2020.

Everyone be safe on the water.

## Meeting Notes

### A FRIENDLY REMINDER FROM TOURNAMENT DIRECTOR HERSHUL SMITH:

When we are weighing in fish and taking money, please do not ask how much was my weigh in today. After we finish weighing everyone, I will be happy to give you all the information you need.

When you come up to weigh in, you must have one of Hershul Smith culling balls. Please do not bring up your fish without one of these.

The next club meeting will be January 2, 2020, 7:00 pm, at Dixie House Cafe

If you would like your information in the newsletter, please email [charles\\_duewall@sbcglobal.net](mailto:charles_duewall@sbcglobal.net)

## *BCFW Tournament Trail*

January 11, 2020,

Weigh: Squaw Creek Reservoir, 6:00 am until 3:30 pm

Statewide Regulations Apply

Remember your fish must be over 14 inches.

Tournament director: Hershul Smith

When you come to weigh in, the first thing you need to do is check in on the check in sheet which will be on the weigh in table, you have until official time is up. At that time, it will be removed and you will be disqualified. You or your partners are the only ones allowed to check you in.

You are not allowed to call someone or ask someone other than your partner to check you in. If you do and you are caught, both you and the person that checked you in are subject to disqualification.

Then you must get an official culling ball from the weigh in table to weigh your fish. Please don't get your fish out of your live well until you have a culling ball, once you have a culling ball get fish out and in a good weigh bag with sufficient water and get in weigh line holding the culling ball until you weigh in. Then return culling ball to table so the next angler can get one. At no time should anyone have fish in bag without culling ball or be in line without culling ball. This is to help keep fish alive when the temperatures go up.

Please be patient at weigh in, if you are weighing fish and have not paid, we will collect your money at that time, if you are not weighing fish and still need to pay, wait for a moment and we will get your money. Please don't interrupt weigh in as we are trying to communicate the number of fishes, weights, and angler's names without mistakes. Who knows it could be your weigh that we make the mistakes on? So please just give us time and we will get your money or answer any questions you may have.

If you fish a tournament and have not paid, and wish to leave early, find a club member give them your entry fee
